

Electronics recycling

Drop off your old electronics and television sets or know that they're being recycled responsibly.

On Aug. 15, from 10 a.m. to 3 p.m., It Electronics Encorp Pacific (Canada) will be at the South Cariboo Recreation Centre to accept old televisions, desktop printers and fax machines, desktop and notebook computers, computer monitors and accessories such as keyboards and cables.

The Return-It Electronics program is being coordinated by the Cariboo Regional District. Encorp Pacific (Canada) is a federally incorporated, not-for-profit product stewardship corporation with beverage container management as their core business.

They will not accept stereos, CD or DVD players, cell phones or computer monitors with shattered glass screens. Further information is available at www.electronicsrecyclingbc.ca.
