

## Make the most of your campaign

Here are some tips to help make fundraising with Express a success:

### Order Bag Labels Online

Order pre-printed bag labels in the mail through your online account & distribute them to make donating even easier - all donors need to do is tag their bags & drop them off at an Express location!

### Know Your Express Locations

We now have Express locations across BC! Find the locations in your area at [return-it.ca/locations/express](http://return-it.ca/locations/express)

### Share Your Campaign

Tag us on Twitter @Return\_It or on Facebook @EncorpPacific and we'll help spread the word about your fundraising.

## FUNDRAISE WITH EXPRESS

### Bottle drives made easy

## Express takes the work out of fundraising.

Return-It Express makes it easy for people to contribute to your organization's bottle drive. With Express, donors bring their refundable drink containers to an Express depot and return them using your organization's registered phone number. We'll sort and count the containers and credit the refunds to your Express account within 10 business days. You can then transfer the money into your organization's bank account using Interac e-Transfer.

Express removes the need for door-to-door collection and sorting work for your team. Plus, easily extend your fundraising efforts throughout the year and across the province - once you open an Express account, anyone can donate containers at any Express location year-round.

## How fundraising with Express works:

Sign your organization up for a free group Express account at [return-it.ca/express](http://return-it.ca/express)

Share your organization's registered Express account phone number with your community

Your donors bring unsorted containers in transparent bags\* to any Return-It Express location

Donors log in at the Express label stand using your organization's registered phone number

Using the label stand, donors print off labels, tag each of their bags, and leave them with us\*\*

We'll sort their containers and credit the refunds to your organization's online Express account!

\*The Express system requires customers to use standard-size transparent recycling bags (70-75 litres in size).

\*\*Some depots may have per-visit bag limits. Contact your Express location directly for more information.
